

St. Francis Center (SFC), a ministry of the Episcopal Diocese of Colorado, was established in June 1983. SFC is a refuge for individuals who are homeless in the metro Denver area, providing shelter along with services that enable people to meet their basic needs for daily survival and to transition out of homelessness.

St. Francis Center's programs and services are tailored toward adults and focus on daytime shelter, social services, health and wellness, housing, employment, and outreach. At SFC, guests* have the opportunity to work with a variety of specialists, depending on their individual needs, which is often the first step toward transformation and ultimately self-sufficiency.

* SFC staff and volunteers refer to those we serve as "guests" because of our strong commitment to hospitality; welcoming everyone and treating each person with dignity and respect.
